HARD METAL INDUSTRIES ASCOT RACECOURSE Perth WA 21st & 22nd October

Are you passionate about the Drilling Industry? Come and see us at our Tradestand in Perth for DrillFest 2015. The show has plenty to offer with product launches, workshops and live demonstrations.

This year HMI will showcase some popular DTH Drilling tools as well as a range of HDD tools that are taking the market by storm. Contact us early to make an appointment with one of our Drilling experts or stop by stand 10 when you attend the show.

With a dedicated design and manufacturing facility at our Brisbane head office, we are keen to hear about the challenges you face and provide solutions to keep you drilling.

For further information head to <http://www.adia.com.au/drillfest-2015-21-22-october/>

Or Contact our HDD Specialist Matthew Wylie on +61 467 011 662.
